From (Name) Commander G. M. Osborne-Smith, R.I.N.,
Presidency Port Officer, Madras

To The Secretary to the Government of Madras,
Public Works (Marine) Department.

Sir,

I have the honour to state that Thomas D' Souza, lascar Dredger "Gurpur" was hurt while raising and lowering pontoons for painting and had to be removed to the Government Hospital Mangalore, where he was an in-patient from the 6th to 27th July 1938.. As the lascar was appointed in June 1937, his leave is governed by the Madras Leave Rules, 1933. Under rule 20 (ii) ibid. the lascar being a non-permanent Government servant in inferior service does not earn any leave. His case may however be dealt with under 5 of the above rules and I request the sanction of the Government to the grant as of special disability leave to the lascar for the period of his absence. A medical certificate granted by the District
